Chamber Halloween

The 9th Annual Chamber Halloween will be held on Monday, October 31, 2016 from 3:00 p.m.—5:00 p.m. Bring your child trick or treating to a safe, daylight event at area businesses. Children must be accompanied by adults. Please contact the Chamber at 492-2355 or www.jordanchamber.org for a map and listing of all participating businesses.
Things You Should Know

DO YOU NEED CAR TABS!

It is unlawful for any person to park a vehicle on any street after a continuous or intermittent snow-fall during which there has been an accumulation of one (1) inch or more of snow, or when a Snow Emergency is declared, until all snow, ice and similar debris has been plowed or removed from the paved portion of the street. Except that on First Street and Water Street, from Mill Street to Varner Street, parking shall be allowed on even-numbered days for vehicles parked on the even-numbered side of the street and, on odd-numbered days for vehicles parked on the odd-numbered side of the street until the street is plowed curb to curb.

Snow Emergencies will be declared by the City solely by text message and email through the Code Red Notification System provided by Scott County. City of Jordan residents can register free of charge for the Code Red Notification System to receive alerts for various notification types including Emergencies, General, and Severe Weather. The geographical alert area is based on the home address you provide, thus you will only receive alerts that may directly affect you. To receive snow emergency declarations from the City of Jordan, it is very important to register for the Code Red Notification System by visiting https://public.coderedweb.com/CNE/EA55A4ECD9 or by visiting Scott County’s main website and selecting the CODE RED icon. Please be sure to check GENERAL NOTIFICATIONS in the alert types section to ensure you receive snow emergency alerts from our City.

**If you reside within the ODD / EVEN PARKING AREA please park on the odd or even side of the street corresponding to what the date will change to after midnight as our public works department generally begins curb to curb snow removal between 4 a.m. and 6 a.m. Example – It’s 6 p.m. on Dec. 1 and you park your vehicle for the night, the correct side of the street to park on is the EVEN side at midnight the date will change to Dec. 2.**

NEW POLICE STATION GROUNDBREAKING

Remodeling of the MnDOT building on Syndicate Street into a new police facility began September 26, 2016 with a ground breaking ceremony attended by city council members and city staff. The new police facility has an anticipated completion date in early April of 2017. Some of the features of the new police facility will include a sizeable public lobby, record staff offices, a patrol officers office, a sergeants/supervisors office, administrative and detectives offices, three private interview rooms, a DWI/alcohol testing room, a training/meeting room, locker rooms, and adequate evidence storage and evidence processing areas. We are excited that we will be able to provide this modern facility for our police department and in doing so without having to raise taxes or bonds for any of the financing. The new police facility should provide the police department with adequate space for years to come.
