

4.2 Late Fees

The Contractor may impose late fees to accounts that are 30 days past due. A maximum late fee totaling 15% of the balance due may be applied to the account.

4.3 Proposed Price Elements

All proposers shall submit a complete Price Worksheet (Form E). If the Proposer is awarded the Contract, this Price Worksheet will be the basis for final terms of the City-approved rate schedule.

~~The Price Worksheet requires proposers to split refuse collection and disposal costs.~~

All proposed fees shall be exclusive of all other charges and taxes (e.g., State Solid Waste Management Tax).

No fuel surcharge or environmental fees shall be applied to services offered through this RFP.
