

Help create a
place of honor in
our city.

The Jordan VFW,
American Legion, and
the Auxiliary are
planning the project.

Come share our
commitment to honor
those who have given so
much to protect and serve.

We have a vision of
plantings, paver paths, and
lighting that will
give truth to the words:
"they will not be forgotten."

Veterans Walking Path of Honor

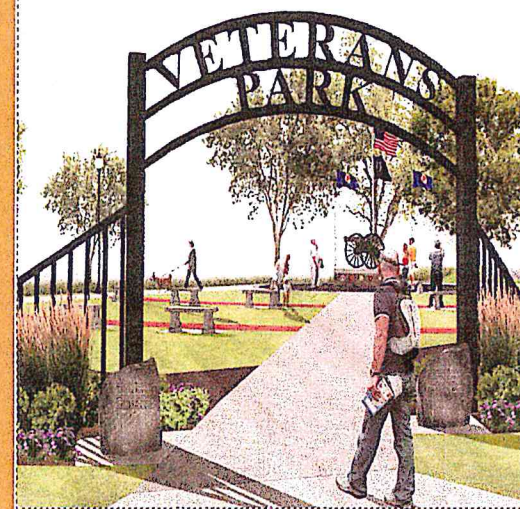

You have the chance to
build a park honoring those
veterans who have served
our country.

We are building a veterans
memorial park in the heart
of Jordan. Families have
the opportunity to
remember a relative, friend
or neighbor who has
served or is serving in any
branch of the military.

One 16x8 granite paver will
be installed with their name
branch of service and years
served at a cost of \$200.00

Jordan... Honor Your Veterans

Help create the new
Jordan Veteran
Memorial Park

The existing area of Lagoon Park near the cannon will be the site of the New Veterans Park. The cost of the park will be \$150,000.00. The city has generously donated half the construction cost. The veterans organization will be seeking donations for the balance of the costs, with construction to begin in the Summer of 2014.

1. Purchase a memorial stone for a loved one who served or is serving in the military. An engraved granite paver will be available for \$200.00. They will be placed by Memorial Day each year. Veterans need not be Jordan residents.

2. Visit the Jordan City website:
www.jordan.govoffice.com
click on the Veterans Park tab
to offer a donation.

3. Contact the veterans club at the following numbers if you have a business or employer who may be willing to support building this memorial.
