   a. **Taste of Minnesota**
      Ron reported that Taste of Minnesota has invited Jordan to have a booth at this year’s event which will be on July 2. The invitation went to the Chamber of Commerce and has been shared with the City and other community groups. Various groups are coordinating the promotional materials they will take to the event for distribution. The EDA seems like the logical group to work on materials promoting the overall city.

      Jane Richards and Dick Thom were present to review available materials and help the group brainstorm ideas for a promotional brochure. After much discussion, Jane and Dick recommended the next step is for several people to meet with them to refine the ideas, then they can present a draft to entire EDA. It was agreed that Jeremy and Linda would meet with Jane and Dick the following day at 4 p.m. A cost estimate for design and publishing will be available at the June meeting.

   b. **Proposed Highway 169 Interchange**

      According to Finance Director Tom Nikunen, the current balance in the EDA budget is $48, 826.
