For information about Candidates

The Hub News is a newly formed non-profit digital news organization that seeks to serve the southwest suburbs, including Jordan, following the closure of the Jordan Independent. The Hub aims to fill the gap left in the community, providing essential updates and in-depth coverage on issues that matter most to residents. Unlike traditional news outlets, The Hub operates exclusively online, allowing for timely and accessible reporting in modern digital formats including podcasts and social media posts.

As the November election approaches, The Hub News is focused on providing information on local candidates and elections. The goal is to ensure voters have the knowledge they need to make informed decisions at the polls. The Hub can be found at www.thehubnews.com where you can sign up for their free email newsletter.

Annual City of Jordan Residents -Curbside Yard Waste Pickup Day– Wednesday October 23rd and Thursday October 24th

With Fall being here, compost is going to go on the rise! Buckingham will be hosting a free fall compost pick up service day on your service day on Wednesday, October 23rd and Thursday October 24th. Please call Buckingham to schedule a pick up at 952-226-6441.

All compost picked up (grass clippings, leaves, etc.) will need to be bagged in brown paper compostable bags.

- Any twigs, branches, brush that needs to be collected can be either bagged in brown paper compostable bags or bundled with twine. Bundles must not exceed four feet in length and the diameter of any branches must not be any larger than 3".
- No logs, stumps or branches that are larger than the parameters listed above.
- No personal compost containers (55 gallon trash containers) as our drivers will not be able to utilize the tipping functions on our trucks to dump those containers.

CITY INFORMATION

Code Red Notification System / Winter Parking and Snow Removal Ordinance

City of Jordan Code Chapter 73 governing winter parking and snow removal during snowfall events states as follows:

Section 73.08 - Parking Hours: Between November 1 and March 31 on First Street and Water Street only, from Mill Street to Varner Street, between the hours of 2 a.m. and 6 a.m., parking shall only be allowed on an odd/even basis; on even-numbered days vehicles may park on the even-numbered side of the street and on odd-numbered days vehicles may park on the odd-numbered side of the street.

Section 73.09 - Snow Removal: It is unlawful for any person to park any vehicle on any street after a continuous or intermittent snowfall during which there has been an accumulation of 1 inch or more of snow, or a Snow Emergency is declared, until all snow, ice and similar debris has been plowed or removed from the paved portion of the street. For purposes of this section the definition of street includes the city owned parking lots. An exception is that on First Street and Water Street only, from Mill Street to Varner Street, and in the Jordan City Hall parking lot and the City owned parking lot behind the Pickled Pig, parking shall be allowed on an odd/even basis; on even-numbered days vehicles may park on the even-numbered side of the street and on odd-numbered days vehicles may park on the odd-numbered side of the street.

Snow Emergencies will be declared by the City solely by text message and email through the Code Red Notification System provided by Scott County. City of Jordan residents can register free of charge for the Code Red Notifications System to receive alerts for various notification types including Emergencies, General, and Severe Weather. The geographical alert area is based on the home address you provide, thus you will only receive alerts that may directly affect you.

To receive snow emergency declarations from the City of Jordan, it is very important to register for the Code Red Notification System by visiting <https://public.coderedweb.com/CNE/EA5343CC0ED6> or by visiting Scott County's main website and selecting the CODE RED icon. Please be sure to check GENERAL NOTIFICATIONS in the alert types section to ensure you receive snow emergency alerts from our City.

TREE TRIMMING

The City of Jordan Public Works Department will be pruning boulevard and right-of-way trees this fall. All limbs overhanging the sidewalk and roads will be trimmed back to the trunk of the tree. This will allow for better sight lines and clearance for vehicles.

STREET SWEEPING

Street sweeping is occurring this fall! Please keep your curb clear and don't rake your leaves into the streets. Please watch for our public works team out and about.

GARBAGE BINS

Reminder that your garbage bin should be placed behind the curb, not on the street.

WHEELS UP WEDNESDAYS

Provides transportation to Seniors (55+) who live in the City of Jordan and need help with transportation from:

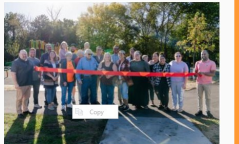

- Oak Terrace
- Brentwood Court
- Brentwood Terrace
- Schule Haus

WEDNESDAYS
10:00 AM - 2:00 PM

To secure your spot or answer any questions, please visit your manager's office.

Pauly Park Ribbon Cutting:

Construction on the City of Jordan's Pauly Park is now complete, and the park is officially opened to the public! The City celebrated the completion of the new accessible park with a ceremonial ribbon cutting on September 23rd. Area residents, project supporters, City councilmembers, and City staff gathered at Pauly Park to celebrate the recent completion of construction on the park.

The park land is a little over 3.5 acres located atop the bluffs between the Bluffs at Cedar Ridge and Heritage Hills developments and is surrounded by mature trees. The park was designed with an emphasis on ADA accessibility to meet the needs of park users of all ages and abilities. The park amenities include

- Accessible playground equipment with accessible poured in place rubber surfacing
- Basketball court
- Pickleball court
- Permanent Bag Boards
- Multi-use trails
- Open Play area (grass)

The City would like to thank everyone that helped bring this park to life!
