Night to Unite

Night to Unite will be held on Tuesday, August 2nd this year, register now!

Night to Unite was developed to:

- Heighten crime and drug prevention awareness.
- Generate support for and participation in local anti-crime programs.
- Strengthen neighborhood spirit and police community partnerships.
- Send a message to criminals letting them know that neighborhoods are organized and fighting back.

Night to Unite provides an excellent opportunity for all of Jordan's residents to come together for this great cause. Community engagement builds trust and aids in reducing criminal activity.

In the past, registered block parties occur between 6 to 9 p.m. and have been visited by representatives of the Jordan Police and Fire departments, Allina and Ridgeview ambulance services, McGruff the crime fighting dog, the American Red Cross, and many other public safety organizations.

Block captains are responsible for organizing a block party on the night of the event. Block parties can be as small or large as the captains can manage and are typically a potluck or an inexpensive cookout promoting neighborhood spirit.

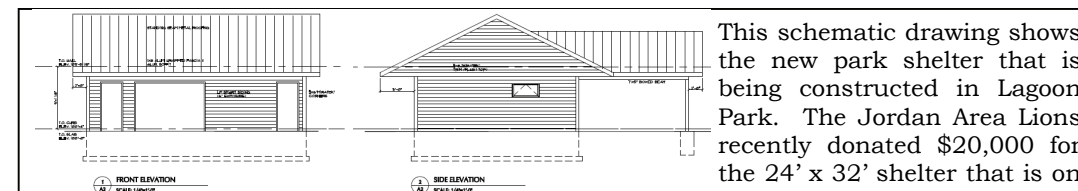

If you are interested in coordinating a block party there are 3 easy ways to become involved:

Lagoon Park Shelter

The Jordan Area Lions recently donated \$20,000 for the 24' x 32' shelter that is on the south side of Lagoon Park. There will be garage doors on opposite sides of the building which will allow the building to open to the outdoors. Estimated completion date is sometime in September.
