

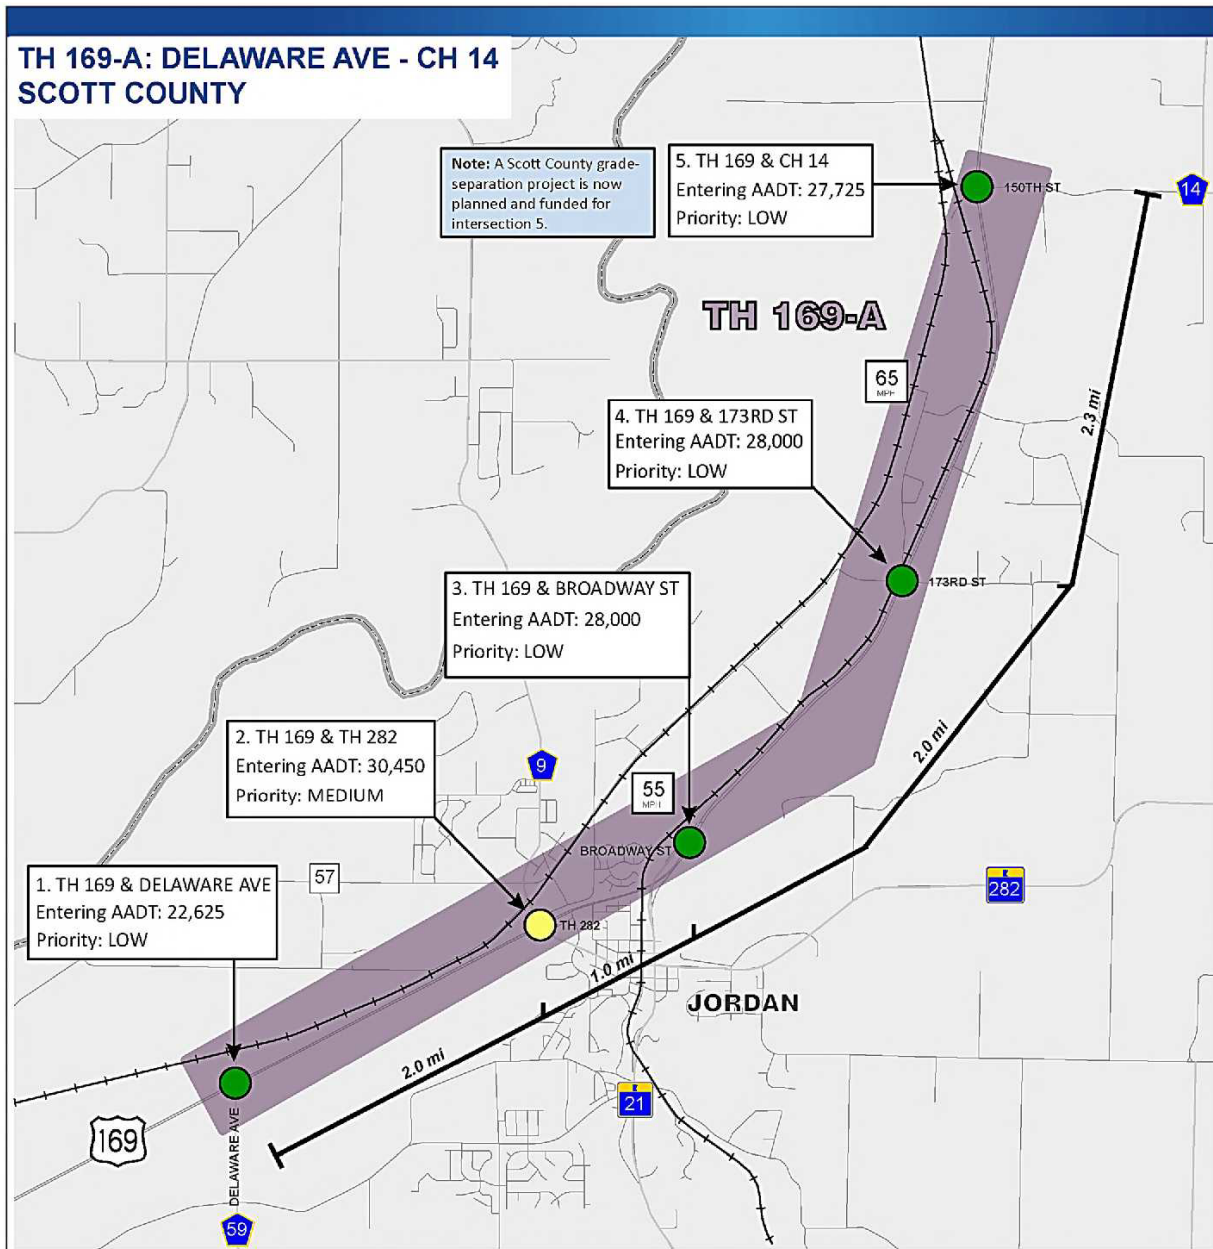

MAP 3-7: PRINCIPAL ARTERIAL CONVERSION STUDY

190th Street & County State Aid Highway 9 Traffic Study (City of Jordan, 2017)

This study was completed in preparation of a newly opened commercial/industrial growth area created by the City of Jordan west of CSAH 9, south of 190th Street, north of US 169, and east of Delaware Avenue. The study conceptualized the buildout of this land area as well as the relocation of the Minnesota Renaissance Festival to the area, and quantified resulting traffic volumes based on three City determined scenarios. The results identified the need for future intersection improvements at CSAH 9 / 190th Street, the expansion of 190th Street to four lanes upon reconstruction or introduction of new development, and creation of a suitable roadway network within the study area.
