Grassman Discussion: Committee discussed need for shade being more for adults who are sitting watching kids. Decides on two options for bigger and smaller equipment. Holzer Discussion: Breeggman would like to see location of park move to just north of existing park, so its connecting and allows parents to be able to watch kids play at the park as well as kids on baseball field. Committee agrees. Committee decides on bigger and smaller equipment options. Lions Riesgraf Discussion: Goebel explains position about wanting to put money into parks closer to more of the neighborhoods.
